#### ALLERGEN

Made in a factory that handles milk, eggs, soya, and cereals containing gluten. Eggs are used on one production line only (pot filling line). Soya, cereals containing gluten are used on ice cream filling line. All above 'free from' allergen statements are made on an individual recipe basis only. Allergen controls on site include: strict allergen control policy, segregated storage, dedicated utensils, operator training, full CIP after allergen production, line swabbing. HACCP Validation is in place and reviewed annually.

#### IONIZATION

This product is not ionized and does not contain any ionized ingredient.

#### TOXICOLOGY DATA

This product and its ingredients are conforming with the UK legislation enforced as regards to pesticides, heavy metals and radionuclide.

Meets legislation for maximum levels of contaminants and toxins

Meets legislation for maximum residue limits for veterinary drug residue

Meets legislation for maximum residue limits for pesticides

Meets requirements for phosphatase
